ALU-GRILLE

SECURITY SCREEN DOORS & WINDOWS

ALSPEC offer a wide range of Window and Door Grille options that will improve the security of your home. ALU-GRILLE's are perfectly suited to a wide range of window applications as well as both hinged and sliding doors.

Finding the right balance between appearance and performance is not always easy. ALSPEC's wide range of designs and proven quality ensure security requirements for any home can be met. All products are custom made to enhance the design of your home.

ALU-GRILLE's have a 7mm strand thickness and meet the requirements of the Australian Security Door Standard AS5039. To obtain maximum benefit from ALU-GRILLE, all doors made incorporating these grilles should also be manufactured to comply with AS5039 and installed to comply with AS5040.

ALU-GRILLE doors are available with the option of One Way Mesh, ideal if added privacy is required. One Way Mesh allows you to see out through your door at the same time as reducing the visibility into your house from the outside.

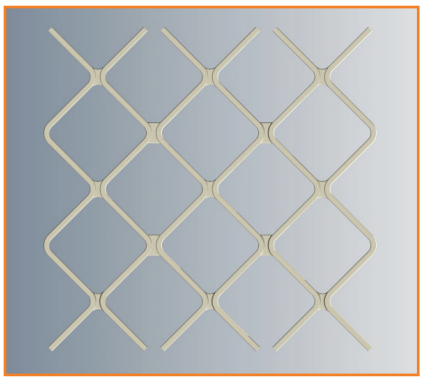
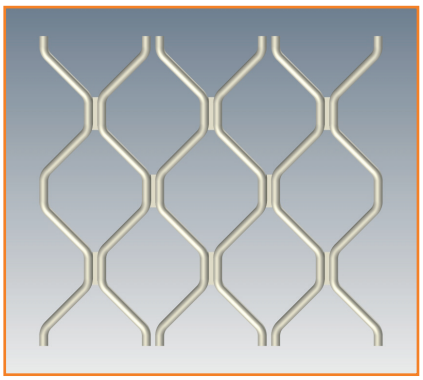
ALU-GRILLE
7MM DIAMOND GRILLE

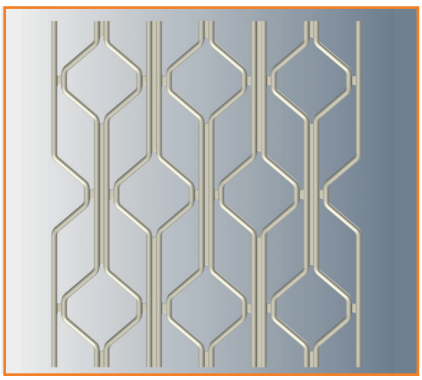
"When it comes to securing your home ALU-GRILLE is the smart choice"



A117 SMALL DIAMOND



STANDARD 7mm DIAMOND



A227 DECORATIVE DIAMOND

Key Features:

- ALU-GRILLE's are made from special Tempered Aluminium for greater strength and increased peace of mind. When combined with quality framing and hardware, ALU-GRILLE offers good looking, low maintenance protection for your home.
- Various ALSPEC decorative grille designs available, ideal for front entry doors. Available in hinged and sliding door widths.
- ALU-GRILLE for custom-made sliding doors provides optimum protection and smooth operation. Adjustment screws face inside the door out of an intruders reach.
- Half door panels add to protection from the weather, pets and intruders. Available in a range of pre-finished colours.
- Fixed window grilles, custom-made to suit. Also available in a variety of patterns and colours.
- Security doors made from quality ALU-GRILLE can be fitted with the extra feature of a 3 Point Safety Lock. Three interlocking security hinges deter even the most persistent intruder.
- ALSPEC One Way Mesh provides added security by limiting visibility from the outside whilst maintaining the view from the inside.
